2022 Honduras
Missions Report

In lieu of Rusty's traditional in-person report he normally delivers to a limited group, this year we will make this information available to everyone in the congregation in this space for the next several weeks. The information in this space will cover the time since Rusty and Alicia were last in the States in August of 2021. Rusty, Edgar and Margarito have been focusing on studying with those in the various congregations they serve. This has been somewhat out of necessity due to ongoing Covid restrictions in Honduras. Listed are those who have submitted in obedience to the Gospel (16) or have been restored to their first love (3). In addition, one couple from Semane were assisted in getting married. Please keep in mind as you read these names that while we don't personally know these individuals, they are very much like us in our struggle with sin and in our need of a Savior. As you read these names take a moment to rejoice that their names have been written in the Lamb's Book of Life and continue to remember their names in prayer as they start their journeys in Christ.
