MORE & MORE

“Finally, brothers, we instructed you how to live in order to please God, as in fact you are living. Now we ask you and urge you in the Lord Jesus to do this more and more (1 Thessalonians 4:1).”

While sitting in a doctor’s office waiting room, a U.S. News & World Report cover story caught my eye: “The 10 Worst Presidents.” Interestingly, six of the 10 worst served between 1841 and 1861, the years leading up to the Civil War. During these years we seem to find a “failed generation.” The only President from recent history to make the list was Richard Nixon—coming in at number nine.

The prevailing issues that seemed to plague all of these failing presidencies are flaws in personal character, governmental corruption, and ineffective and indecisive leadership. Buchanan, Harding, Johnson, Pierce, Fillmore, Tyler, and Grant are the top seven worst presidents. In considering our own legacy, I wonder if history will be kind to our generation. Will future generations in the Lord’s church rank our generation among the worst or the best? Will they point to personal character flaws, corruption and ineffectiveness as reasons for our failures? Or, will they see us as ones who seized opportunities in accomplishing God’s purpose for our generation?

The scripture quoted above points God’s people to live for the very purpose of pleasing HIM. The passage goes one step more in that it urges Christians to “do this more and more.” We must never plateau in our work for God, in our faithfulness to him, or in our zeal to spread His precious gospel. Rather, we should spread our efforts more and more as we seek to glorify and grow in our faith. I pray that we will not make the “failed generation” list. Rather, I pray that we will live in order to please God, and that we will do it more and more.
