No. 30

July 22, 2020

The story of the Bible is the story of a people being delivered. Ever since the removal of man from God's presence he has sought deliverance. Man has always looked to a higher power during times of stress, and times of hardship. Sometimes man looked to other people to deliver them from problems, sometimes man looked to false gods for deliverance, and sometimes man relied upon Jehovah for relief from troubles. No matter when and how deliverance occurred, man has always celebrated the deliverance and honored those that had delivered them. As we continue to look for a solution and a cure for the ongoing Covid 19 virus, many have suggested ways to overcome the disease that is bringing great fear to the world. Many look to the government to solve the issue. Many look to health care experts to solve the pandemic. Hopefully, many are asking our God for help. However, as we wait for this burden to be lifted, the Christian should still be celebrating deliverance. We celebrate deliverance by coming together to honor the one that has delivered us. Our celebration has always been worshiping God the Father, God the Son, and the God the Spirit. But why worship the Godhead? If you look at Revelation 4 and 5 there are two reasons given. **Revelation 4:11** Worthy are You our Lord and our God to receive glory and honor and power for You created all things and because of Your will they existed and were created. God created Everything. **We worship God for Who he is, our creator. Revelation 5:12** Worthy is the Lamb that was slain to receive power and riches and wisdom and might and honor and glory and blessing and every created thing which is in heaven and on the earth and under the earth and on the sea and all things in them I heard saying, “To him who sits on the throne and to the Lamb be blessing and honor and glory and dominion for ever and ever.” The four living creatures kept saying “Amen” and the elders fell down and worshiped. **We worship God for what he did; He delivered us from sin.** So, let's not quit celebrating our deliverance because of this temporary crisis. Let's continue to worship our Creator and our Savior.

NEWS & EVENTS

WORSHIPING TOGETHER

Northside will meet at 10 am Sunday mornings. We will stream the service live on FB and Steve will do a Bible study afterward at 11 am. Wednesday's service will remain online.

Due to the present health crisis. If you plan to attend, we ask you to read the Arkansas State Health Dept. guidelines that are on the back of the bulletin and do your best to comply with these guidelines.

There will be only two doorways for entry and exit. These will be the main doorway facing Walnut Street and the breezeway door that accesses the lower parking lot. The doorway at the front of the auditorium will be for emergency exiting only. No childcare will be provided at this time and we ask that you do not enter the educational wing of the building. Please strive to maintain 6 feet distancing between family groups as you enter and exit the building. Due to the physical distancing guidelines, you may be asked to sit away from your usual area of the auditorium so that there is room for everyone. If there is a need for overflow seating, this will be provided in the fellowship building with a livestream of our worship there. There will be elders and deacons to assist you with entry, seating and exiting worship.

Individual communion packets can be picked up in the foyer as you enter the building. Offering plates will be available for giving in the foyer as you exit.

If you have existing health problems or are over 65 years of age, then group worship may put your health at risk. If you have questions about this, please consult with your healthcare provider to see if attendance is safe for you at this time. We will continue to live stream our worship service for those who need to remain at home for now.
