Words of Wisdom - Part 3

GOD’S WORD
→Live **Romans 1:16** even when it may not seem “cool”.
→Stay in God’s word daily. You will always gain knowledge. My job took me away from church service, and retirement has brought me back to fellowship and peace.
→In times of trouble read the Psalms. No matter how someone acts towards you, you have no right to act unbecomingly towards them. My concept of God will dictate my conduct. **Psalm 119:9-16.**

MONEY MATTERS
→Don’t depend on the government to take care of you: get a job!
→Don’t go out and spend now when you can save and spend more on something bigger later.
→Don’t think you have to have all the nice things in life immediately.
→Work is not all about money.

GENERAL WISDOM
→ Set goals that are S M A R T: specific - measurable - attainable - relevant - time-bound. You get better at it with practice: the sky will be your limit.
→Always do your best at whatever you decide to do in your lifetime.
→Remain teachable. Never stop learning.
→Never say never.
→Be honest with yourself.
→The little decisions you make now can make a big impact on your life later. So, think about it. God has great plans for you!

YOUR UNIQUENESS
→ Get trained in something. If you don’t choose college, choose a trade - plumber, electrician - be skilled in something.
→Do not undervalue yourself: do not settle for less than you really deserve.
→We are all different but wonderfully made. **Psalm 139:13-14.**
