ISSUE NO. 08

Behold, there went out a sower to sow:

And it came to pass, as he sowed, some fell by the wayside, and the fowls of the air came and devoured it up. (Mark 4:4)

“Fall by the wayside” is yet another modern phrase with roots in the pages of Biblical scripture. The phrase, uttered for the first time by Jesus while sitting in a boat at the water’s edge, is the opening words of Jesus’ well-known Parable of the Sower. In the parable, four types of soils – representing four types of hearts – are revealed. Jesus encourages each listener to evaluate the condition of his own heart and cultivate the good heart: receptive to and fruitful with the Word of God.

The wayside is the first of the four soils in which the word of God is sown, and is, of course at the outset, the least promising of them. It is the path along which people walk. If the ground had been prepared, then it might have become a good place for the grain to take root and flourish. But, with the constant pounding of feet and hooves, the “path” (**ESV**), the “road” (**NASB**), the “way” (**YLT**) is hardened so that the birds easily eat the seeds which are lying helplessly on the packed soil.

It is worthwhile reminding ourselves that the sower freely gives to all people (all types of hearts) the same opportunity to receive the word of God. In his enthusiasm, the sower broadcasts the seed onto all soils: good and bad. Such is the equal access that all men have to the gospel. Our job, as disciples, is to replicate the generosity of The Sower, Jesus, and freely spread the Good News to all men. Should we look for the most fertile ground upon which to sow the seeds to help ensure that the seeds will flourish? Certainly. But in the end, our responsibility is to sow generously and allow God’s word to do its work.

Elder Announcement

COVID infection levels have risen in our area and the Elders feel it is necessary to adjust in order to maintain a reasonably safe environment for fellowship, study, and worship. On Sundays, we will return to individually packaged communion until the present level of infection in our community has improved. Although vaccination, mask wearing, and distancing from others has benefit in decreasing the risk of illness, not everyone is able or will choose to adopt these measures. We urge you to consult your medical provider to see if these measures and/or returning to online worship would be best in your family's specific situation. The Elders will be monitoring the local infection levels on a week to week basis. Again, please be active in prayer that our church family remains healthy, committed, and unified in purpose during this time. The Northside Elders
