At Thy Word

*"And Simon answering said unto him,
Master, we have toiled all the night,
and have taken nothing: nevertheless
at thy word I will let down the net."
(–Luke 5:5 KJV)*

The fishermen Peter, Andrew, James and John could never have imagined what awaited them after a failed, all-night fishing venture. Certainly, they were exhausted from a sleepless night as they washed and prepared to store their nets and equipment. These seasoned fishermen, who undoubtedly knew the Sea of Galilee well, were unsuccessful in finding any fish to sell in the marketplace that day. Then came Jesus, who, after teaching from Peter's boat, asked Peter to push out into deeper water and let down the nets for a catch.

Peter had every reason not to obey...After all, Peter, his brother and partners James and John were experienced fishermen. They were the professionals. They knew the lake, the winds, and the way fish react to weather conditions and the time of day. They had already worked all night and were tired and dispirited; they were packing up to go home and rest. If they set out again, the other fishermen around would see and perhaps laugh at them. In a word, everything spoke against going out to fish again at this moment - there was absolutely no point, and there was no hope. But this is where faith and trust in Jesus comes in. When all other avenues are exhausted, when we are discouraged and there is no hope, when everything speaks against trying one more time, listening to the voice of Jesus and having trust in Him can and will bring success to a venture. Matthew 17 confirms that with faith in Jesus, mountains can be moved and nothing is too difficult for the

believer. We just need to say, and believe, "At Thy word" ... and the magic happens. Except it is not magic, it is the astonishing power of God and it is available to every one of us.

Peter's "At thy word" attitude gives us insight into why Jesus chose him. The NIV reads "Because you say so, I will let down the nets". Peter's simple obedience in the face of so many reasons not to obey, is obedience in its purest form. It is trust in the face of doubt. It is doing, when evidence says NOT to do. It is dependence. It is faith. It is the kind of attitude where God does his best work. An attitude that we would do well to mirror. Thank you, Peter for teaching us the beauty of living an "At thy word" life.
