Words of Wisdom - Part 1

Our Sunday Night Bible Study compiled words of wisdom for our graduating seniors. The advice was so wonderfully rich --and applicable to all-- that I decided to put the list in the bulletin.

CHURCH FAMILY

- Find a congregation to worship with and get involved.
- Cultivate relationships with church family - you will need them.
- Stay strong in the Lord. Church family is very important.

FAMILY

- Tell your loved ones that you love them often.
- Take time for family. Family is forever.

SPOUSE

- Choose wisely when it comes to a spouse. Make sure it is someone who also has the priority of putting God first.
- Choose a mate of the same faith - it prevents many problems.
- Choose a mate of the same background and interests so you will do things together.
- Only date someone you would marry - a Christian.

GOD

- Nothing you do will be as important as loving God first and making him the true center of life in every way you can.
- Remain steadfast and faithful to God.
- I tried the world's way out of high school. It ended with years of heartbreak and sadness. I started back following God and doing what the Bible says. Things have never been better. True joy only comes from God - stay faithful. Immerse yourself in the church and hang out with God's family. Everything else will work out if you put God first. Trust me.
- Hold on to the Lord with both hands no matter how hard things get. Always know you are so loved that God sent Jesus to the cross to die for you. Always remember **James 1**.
- Always ask God for guidance, wisdom, courage and strength.
- The most important thing I have learned in my life is staying faithful to God and your church family. I know how important this is because I strayed. Always trust in God and please don't stray away as you will make poor choices instead of wise ones.
- Keep God first in your life.
- Always count on the Lord for your guidance and not your own wisdom.
- Commit your life to Christ.
- Pursue God. **James 4:7-8**.

THE REMAINDER OF THE LIST WILL BE IN NEXT WEEK'S BULLETIN
