ISSUE NO. 5

"I am the Light of the World"
John 8:12; 9:5

A once-safe, well-lit place can feel completely different in the darkness. What was carefree and comfortable can suddenly become eerie and foreboding. Most of us can remember an urban center where we walked without worry during the daytime, only to become worried as the shadows lengthened and the streets became deserted and dark. The world can sometimes loom with the dread of darkness. In the darkness there is uncertainty. In the darkness there is danger.

Jesus' I AM statement *"I am the light of the world"* is one to which we can immediately identify. In the light there is safety. In the light there is clarity. Jesus IS the light.

In the light there is truth. Sometimes I find myself trying to do house projects in inadequate light. My hand fumbles trying to place the screwdriver firmly on the screw which I cannot see clearly. With the light comes the ability to see the true center, the correct mark. Such is Jesus. His truth illumines our path. In him we see the truth clearly.

In the light there is guidance. I have stumbled countless times on roots, rocks or oddly placed objects in my path. Most of us have stumped our toes on an unexpected item in our path, at night, in the dark. But, with light we can see where to go, which path to take. Such is Jesus. His truth illumines our path. In him we see the path clearly.

John speaks of the light in his 1 John epistle: *"But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus, his Son, purifies us from every sin"* (1 John 1:7). May we never hide the light of Jesus under a bushel. The light is to be set on a hill, where it cannot be hidden. In the light of Christ there is safety, truth and guidance.
