ISSUE NO. 28

“For the word of God is living and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart” (Hebrews 4:12).

Reflections on a Prayer

On the first day of our campaign in Honduras, I was struck by a statement made in a prayer to open the first day. It made such an impact on me, that I stopped to write it down. I wanted to remember it. I wanted to remember it so that I could share it with you, and so that the words would guide me. The prayer was asking God to send us to homes with receptive hearts and that if we came upon someone stubborn to the message of righteousness that by “the power of your word they can change their minds.” As I pondered the statement it reminded me of the power of the words of Jesus and the message of Jesus to change minds. Mind-changing is God’s business. My business is simply to share the word and let the word do its thing.

Notice the imagery that illustrates the power of God’s word upon the hearts of hearers. We know from the opening of John’s gospel that the Word (Jesus) is and always was with God, and that the Word is the Creator of all we see, from this Earth, and stretching away to infinity in all directions of the universe. The Word of God has

immense power, and the Hebrews writer says it is 'sharper than any double-edged sword'. The power of the word can and does do anything. We also know that if we have faith, we can move mountains (Matthew 17:20); this means that for convinced, faithful Christians nothing, *nothing*, will be impossible with God on our side. In Bob Dylan's song, "With God On Our Side" the lyrics imply that some people are hypocritically convinced that they are automatically in the right: but if faith, humility, belief and love are all allied together, the Word of God penetrates all.

In our campaign, we indeed brought the word of God to hearts which were yearning for God's love. We planted the seed. Now our job is to pray that this seed will grow and bear fruit in our listeners' hearts, watered by God's hand, but tended by the Christian workers of Yamaranguila. Stephen Powers
