Savannah is the daughter of Betsy Horne and Bennett Horne. Savannah was homeschooled and participated Photography Club. She has been a very special and active member of the Northside Youth Group, participating in Mystery Mission Trips, LTC, and many other spiritual growth activities. Savannah has also been a very diligent servant in caring for many Northside kids in various ways. Savannah is currently developing an independent business while pursuing photography opportunities.

Senior Sunday is tentatively planned for Sunday, June 28, at Northside. We have three graduating seniors: Daniel Hart, Savannah Horne, and Melina Rackley. We spotlighted one and will have one more next week.

NEWS & EVENTS

Message from our Elders

We are excited for our first group worship service together on **Sunday, June 7**, however there are a few things we want you to know about how this service will be different due to the present health crisis. If you plan to attend, we ask you to read the Arkansas State Health Department Places of Worship Guidelines on the back of the bulletin and do your best to comply with these guidelines.

There will be only two doorways for entry and exit. These will be the main doorway facing Walnut Street and the breezeway door that accesses the lower parking lot. The doorway at the front of the auditorium will be for emergency exiting only. No childcare will be provided at this time and we ask that you do not enter the educational wing of the building. Please strive to maintain 6 feet distancing between family groups as you enter and exit the building. Due to the physical distancing guidelines, you may be asked to sit away from your usual area of the auditorium so that there is room for everyone. If there is a need for overflow seating, this will be provided in the fellowship building with a livestream of our worship there. There will be elders and deacons to assist you with entry, seating and exiting worship.

Individual communion packets can be picked up in the foyer as you enter the building. Offering plates will be available for giving in the foyer as you exit.

If you have existing health problems or are over 65 years of age, then group worship may put your health at risk. If you have questions about this, please consult with your healthcare provider to see if attendance is safe for you at this time. We will continue to live stream our worship service for those who need to remain at home for now.
