(Return service requested)

Thank you, Northside church of Christ for your love, prayers and continued support for the work and service we are doing in the Lord's church here in Honduras.

Alicia and I are so grateful for the meal and fellowship we enjoyed during my presentation covering our progress in the labor for the Lord since last year.

Also, a special thanks to the 3rd & 4th graders who made beautiful cards of encouragement for Alicia and me and also for brothers Edgar and Margarito. We truly appreciate your thoughts and prayers.

Also, a special thanks to brother and sister, Clyde and Jean Johnson, for allowing us to stay in their guest house during our visit. We had a really great time visiting my physical family, as well as our spiritual family in Christ.

May God bless you all richly. May God be praised and gloried forever.

In his service, Rusty and Alicia McMillan

ISSUE NO. 24

June 23 is right around the corner. And that means that Vacation Bible School is about to hammer itself into our lives for a few days! Don't mind the mess, though. VBS is an opportunity to build our kids up in the name of the Lord. Our VBS this year is Sunday, June 23, through Wednesday, June 26, beginning at 6:00 each evening. It is for Ages 4 up to 6th grade. There will be a nursery and a class for 2's and 3's for Northside kids.

On Sunday through Tuesday, meals will be served at 5:30. There will not be a meal on Wednesday. Sunday through Tuesday will run as our VBS normally does with singing and activity rotations, such as crafts, service projects, games, and "Biscuit's Toolbox". On Wednesday, we will sing some songs, have a "Biscuit's Toolbox" lesson and then dismiss for our VBS Carnival on the Activity Building Lot.

Registration is open. You can pre-register your children online at our webpage: www.thenorthsidechurchofchrist.org, or you may fill out the printed forms found on the table outside the copy room.

There are sign-up sheets on the bulletin board to donate snacks for goodie bags and food for the pre-VBS dinners. We're still looking for some volunteers to help with classes and rotations. Please let me know if you can help in some way.

-Jason
