Currently, the hottest pepper is officially the Carolina Reaper, cultivated by “Smokin” Ed Currie in Rock Hill, South Carolina. The official 2017 Guinness World Record heat level was 1,641,183 Scoville Heat Units (SHU).

Is your good influence detectable in a crowd? Jesus spoke of influence in the Sermon on the Mount: “You are the salt of the earth; but if the salt loses its flavor...It is then good for nothing but to be thrown out” (Matthew 5:13-14).

We are God’s “spice” to influence His world for good. There are two ways that we may influence others: by words and by deeds. People are more affected by what they see than what they hear. What do they see in your life and mine? Do they see devotion to Christ shown by our being at Bible study and worship? Do they see someone truly striving to live like Christ, or do they see someone who is indifferent and compromising? Will God say to us on that final day, “Well done, good and faithful servant,” or will He say, “Depart from Me”? (Matthew 25:21).

On the Lighter Side...

Three Gifts for Mom

Three sons left home, went out on their own and prospered. Getting back together, they discussed the gifts they were able to give their elderly mother.

The first said, "I built a big house for our mother." The second said, "I sent her a Mercedes with a driver." The third smiled and said, "I've got you both beat. You know how Mom enjoys the Bible, and you know she can't see very well. I sent her a brown parrot that can recite the entire Bible. It took 20 monks in a monastery 12 years to teach him. I had to pledge to contribute \$100,000.00 a year for 10 years, but it was worth it. Mom just has to name the chapter and verse, and the parrot will recite it."

Soon thereafter, Mom sent out her letters of thanks: "Milton," she wrote the first son, "The house you built is so huge. I live in only one room, but I have to clean the whole house." "Marvin," she wrote to another, "I am too old to travel. I stay home all the time, so I never use the Mercedes. And the driver is so rude!"

"Dearest Melvin," she wrote to her third son, "You were the only son to have the good sense to know what your mother likes. That chicken was delicious."
