

## ANNOUNCEMENT FROM OUR ELDERS

In order to comfortably accommodate our worship attendance and still meet CDC distancing guidelines, we will be having two Sunday morning services in the main auditorium. The first service is at 8 AM and the second at 10 AM. If you would prefer, we are still doing the online stream of the service @ 10 AM. Our Wednesday service will be at 6:30, with Bible classes for the kids. Grades 3 & up please wear mask.

Due to the present health crisis, if you plan to attend, we ask you to read the Arkansas State Health Dept. guidelines @ <https://www.healthy.arkansas.gov/programs-services/topics/covid-19-guidance-for-faith-based-organizations> and do your best to comply with these guidelines.

In the Auditorium, there will be only two doorways for entry and exit. These will be the main doorway facing Walnut Street and the breezeway door that accesses the lower parking lot. The doorway at the front of the auditorium will be for emergency exiting only. No childcare will be provided at this time, and we ask that you do not enter the educational wing of the building. Please strive to maintain 6 feet distancing between family groups as you enter and exit the building. Due to the physical distancing guidelines, you may be asked to sit away from your usual area of the auditorium so that there is room for everyone. There will be elders and deacons to assist you with entry, seating and exiting worship.

Individual communion packets can be picked up in the foyer as you enter the building. Offering plates will be available for giving in the foyer as you exit. If you have existing health problems or are over 65 years of age, then group worship may put your health at risk. If you have questions about this, please consult with your healthcare provider to see if attendance is safe for you at this time.

CAPE OF  
GOOD  
HOPE

At the tip of the African Continent lies one of the most well-known headlands of our globe, the Cape of Good Hope (or Kaap Die Goeie Hoop in Afrikaans). It signifies the hope and joy that rounding the cape brings to the mariner as his ship turns east after running south for so many hundreds of miles: India and the mystical East now lie ahead, lands of spices, exotic trade and amazing adventure. Originally the cape was called the Cape of Storms - this is the place where the warm current from the Indian Ocean meets the icy waters driving up from Antarctica, causing turmoil, heavy seas and winds.

The words we use to label life events matters. When we label events with negative and foreboding words, we see life through the lens of those labels. When we label events with positive and exciting words, we see life through the lens of the possibilities that God has opened for us. The African Cape could be viewed by seafarers as a danger to be dreaded or as a new-horizons gateway to be welcomed. The former colors the journey with gloom. The latter with excitement.

As Christians, we have every reason to view life through the lens of joy. Even in tumultuous seas, may we keep our eye on the compass, bound for the promised land ahead even when beset by stormy weather. Leaving the storms behind, we turn our heads to Good Hope, seeing the possibilities God's loving care brings us.
