Dear fellow Christians, thank you very much for the calls, cards, food and prayers offered on my behalf after my recent surgery. I am getting along well, and know that prayers have been answered. We are worshipping online at this time, but hope to see you all soon.

Announcements

Thank you so very much for the help to purchase school supplies for our children. Our kids come to us usually with very low self-esteem, so they are thrilled when they get to go to school that first day with a NEW backpack, school supplies, tennis shoes and clothing. For many, they have never had "what the other kids have" on that new school day.

We appreciate you for being a "helping hand" to our children with your generous gifts. You are a true blessing to all of us at Children's Homes and we thank you for your kind and giving hearts.

ELDER ANNOUNCEMENT

As you are aware, the COVID virus has made a resurgence in our area and the Elders feel it is time to consider how we may move forward while still maintaining a reasonably safe environment for fellowship, study, and worship. On Sundays, we will return to individually packaged communion until the present level of infection in our community has improved. Although vaccination, mask wearing, and distancing from others has benefit in decreasing the risk of illness, not everyone is able or will choose to adopt these measures. We urge you to consult your medical provider to see if these measures and/or returning to online worship would be best in your family's specific situation. Again, please be active in prayer that our church family remains healthy and unified in purpose during this time.
Thank you , The Northside Elders
