No. 27

July 1, 2020

What a blessing it was for me to attend Harding University, although I had my doubts going in. It was such a great time of growth and maturing for me. So many touched my life and forever left their fingerprints. Two of those special touches came from parents of a good friend that lived in Searcy. Their home was open to all students and what an influence they had on so many. This particular couple also had a great influence on my boys, Todd and Trent when they were at Harding. I want to share a post I read on Facebook this week from them. It touched me deeply.

“One of the struggles that we were facing was shopping for groceries and then preparing our meals. That, along with other issues that people our ages have, made our decision to move to Harding Place easier. It is not easy to leave a house that you built and lived in for 53 years. We have been here for almost a month and pretty well settled in and the matter of food is no longer an issue. The meals are great and although we are living under pandemic conditions all we have to do is go PICK UP our food and return to our apartment to eat.

Yesterday on our way back to our apartment I told AA that we are like the children of Israel eating manna, all we have to do is pick it up and eat. This prompted me to read Exodus 16.

One of the things that jumped out to me was the issue of grumbling. God hears us when we do this. I suspect that there is a lot of grumbling going on due to the pandemic.

There is a statement in verses 11-12 that I think is important for me to realize every time I sit down to eat.

The Lord said to Moses, "I have heard the grumbling of the Israelites. Tell them, at twilight you will eat meat, and in the morning, you will be filled with bread. THEN YOU WILL KNOW THAT I AM THE LORD YOUR GOD." We do not need to take the blessing of God for granted. Lamentations 3:19-24

Wayne (91) and Alice Ann (90) Kellar are the parents of Mary Ann Presley and the grandparents of Seth and Kyle. What an inspiration. May we all strive to be such kingdom workers all the days of our lives.

FAMILY NEWS & EVENTS

Dear Northside Family,
Four and half years doesn't seem like a long time, but in many ways, it seems like I have lived here my whole life. When I moved here, the kindness that you showed me immediately made it feel like home. When times were tough, you stood by our side to comfort us. I couldn't have asked for a better Church family. I will miss you all while I am away at Oklahoma Christian University. I will put the Bible you gave me to good use as I grow closer to God and it will also remind me of the great memories I have made since the day we came to Northside. Thank you for your unfailing love and support over the years.
In Christian Love,
Daniel Hart

NEWS & EVENTS

WORSHIPING TOGETHER

Northside will meet at 10 am Sunday mornings. We will stream the service live on FB and Steve will do a Bible study afterward at 11 am. Wednesday's service will remain online.

Due to the present health crisis. If you plan to attend, we ask you to read the Arkansas State Health Dept. guidelines that are on the back of the bulletin and do your best to comply with these guidelines.

There will be only two doorways for entry and exit. These will be the main doorway facing Walnut Street and the breezeway door that accesses the lower parking lot. The doorway at the front of the auditorium will be for emergency exiting only. No childcare will be provided at this time and we ask that you do not enter the educational wing of the building. Please strive to maintain 6 feet distancing between family groups as you enter and exit the building. Due to the physical distancing guidelines, you may be asked to sit away from your usual area of the auditorium so that there is room for everyone. If there is a need for overflow seating, this will be provided in the fellowship building with a livestream of our worship there. There will be elders and deacons to assist you with entry, seating and exiting worship.

Individual communion packets can be picked up in the foyer as you enter the building. Offering plates will be available for giving in the foyer as you exit.

If you have existing health problems or are over 65 years of age, then group worship may put your health at risk. If you have questions about this, please consult with your healthcare provider to see if attendance is safe for you at this time. We will continue to live stream our worship service for those who need to remain at home for now.
