

ANNOUNCEMENT FROM OUR ELDERS

Sunday morning service is at 9 AM. If you would prefer, we are still doing the online stream of the service @ 9 AM. Our Wednesday service will be at 6:30, with Bible classes for the kids.

Beginning Sunday morning April 4th, our members may remove their masks once they are seated for worship if they desire. For now, please continue to wear face-coverings as you enter and exit the building and when 6 feet distancing cannot be maintained.

In the Auditorium, there will be only two doorways for entry and exit. These will be the main doorway facing Walnut Street and the breezeway door that accesses the lower parking lot. The doorway at the front of the auditorium will be for emergency exiting only. No childcare will be provided at this time, and we ask that you do not enter the educational wing of the building. Please strive to maintain 6 feet distancing between family groups as you enter and exit the building. Due to the physical distancing guidelines, you may be asked to sit away from your usual area of the auditorium so that there is room for everyone. There will be elders and deacons to assist you with entry, seating and exiting worship.

Individual communion packets can be picked up in the foyer as you enter the building. Offering plates will be available for giving in the foyer as you exit. If you have existing health problems or are over 65 years of age, then group worship may put your health at risk. If you have questions about this, please consult with your healthcare provider to see if attendance is safe for you at this time.

ELDER ANNOUNCEMENT

With the decline of Covid illness in our local community, the availability of vaccine, and the return of warm weather it has been really encouraging and exciting to see so many of our church family able to return to worship together the last few weeks. At this time the elders feel it is safe to begin moving toward more group worship and study times. Our plan is to return to one Sunday morning service with no seating recommendations at the new time of **9:00am on April 18**. Of course, face coverings may be worn if members desire. The online live-stream of that worship service and individual communion packets will continue to be provided as well for now. Beginning on **Sunday, May 2, Sunday morning Bible classes for all ages will resume at 10:00am** tentative to teacher availability. Also, that **Sunday evening at 6:00pm**, we will meet for a new bible study format with Steve leading an interactive class for adults in the auditorium and Jason and our youth group hosting an interactive learning time for 6th grade and under in the educational wing. We will continue to closely monitor the level of illness in our area and make appropriate adjustments if necessary. Please continue to pray that our local community health will remain stable as we press on together in faith and with God's guidance and protection.

We look forward to seeing everyone together again! The Elders
