Christweens 2022

Our last full-on Christweens was September 23, 2019. Though we had an in-house Christweens last year, you could tell that the kids and the adults were excited about returning to as things have been for many years. Christweens began several years ago with the aspiration to create a youth rally for grades 4th-6th. Knowing that these ages needed something special for them during some impressionable years, Christweens was started and has continued to serve kids in a wonderful way since.

For this year, we are excited to share that we had 94 children participating and 34 visiting chaperones. Just as impressive was the fact that we had almost 75 Northside volunteers on site with almost fifteen of those being our teenagers. Add to that the large number of Northside members who helped off-site, with donations, setup, etc. and we had over 100 helpers working in some way to make this event run smoothly.

Thank you all for your love and support for this wonderful opportunity to teach kids. Jesus said, "Let the children come to me and do not hinder them (Lk. 18:16)." Jesus said, "Serve kids." Great job, Northside!
