Letter from Honduras... GOOD NEWS!

Please rejoice with us as we have a new sister in Christ.

Heidy Roxana Calix Herrera asked me after our worship service in El Cerron this morning if she could be baptized. Just recently, Heidy's parents got married and were baptized after their wedding.

Heidy has heard the Gospel message many times as we studied with her parents. She and her family have attended services in El Cerron for quite some time. She is well acquainted with the Lord's teaching and the worship to our Lord in Spirit and in Truth.

She made her decision without being asked. She knew she had sin and wanted to be free from her guilt.

What a blessing she is following in her parents' footsteps to be obedient to our Lord and Savior Jesus.

So today, October 6, 2019, sister Heidy was born again of the water and the Spirit.

She will continue to worship with us in El Cerron.

Today, after her baptism, she was able to partake of the Lord's Supper for her first time, in memory of Jesus' suffering and death on the cross for us.

It makes us so happy to see the church in El Cerron growing.

To God be the Glory forever.

In Christ,
Rusty McMillan

THANK YOU!

My gratitude and thanks are sent out to all who have shown me such love and support after I had a heart attack. My church family and others are awesome. I have received more love, support and encouragement than I ever imagined. Prayers, phone calls, texts, visits, food, encouraging words, love and best wishes are all a testimony of a loving, healthy body doing the things that please the Lord.

Thank you, Raymond Stills

Our dear church Family,

We humbly thank you for the outpouring of love, concern & good wishes for a speedy recovery during my recuperation period.

We love serving in this congregation & it is now a blessing to us to be served by all of you.

Your calls, visits, food & cards are indeed uplifting, and I look forward to being back in your midst in the very near future.

With overwhelming gratitude, Sam & Jo

P.S. As a little crippled boy, I learned you should never go on trips, but that’s exactly what I did.
