Introducing a Congregational Evangelism Seminar

By Rob L. Whitacre

We are thankful to announce that you have been enrolled into the House to House/Heart to Heart School of Evangelism! This will provide your congregation with a total of 12 months of preparation, promotion, training, and support. Our goal is to transform the culture within congregations to be focused on local evangelism and church growth. In order to accomplish this mission, we will be conducting a seminar soon and we need your help. “Go Ye” means “Go All.” The word, “ye” is plural and thus requires the mobilization of every Christian in the local congregation to reach the lost in your community.

What is an evangelism seminar? It is an effort to train the saved to teach the lost. We will spend time equipping Christians with a soul winning strategy. We will relay stories of real people who are coming to know their Savior and provide you the simple principles used to get them into a Bible study and help them obey the Gospel. We will spend time with elders and preacher and help them develop a winning strategy for the local congregation.

What can you do? First, please attend every session as each builds upon the other. Second, come ready to learn with Bible in hand, and ready to take notes. This is not just a lecture. It will be both principle and practice. Third, please be praying about souls to save. Since this focuses on training Christians how to reach the lost, it is not recommended that you invite your non-Christian friends and family. After being trained, you will have plenty of opportunities and a working method to reach them.

Training the saved to teach the lost.

Dear Northside Family,

Thank you so much for your prayers, phone calls, texts, and visits. Each has been a big encouragement to us each day.

It's going to take longer than we thought for E. R. to gain his strength back.

Your continued prayers are greatly appreciated.

In Christ, E. R. & Janice

Dear Northside church family,

I want to take a moment to thank you all from the depths of my heart for the prayers, support, and encouragement you've poured into my life. Your love has been a shield and a sword on my journey, and I am stronger because of it.

I am honored to worship, grow and serve alongside warriors who work boldly in Christ's love.

Your brother, Nicholas
