Elder ANNOUNCEMENT

The congregation was asked a few weeks ago to submit names of men you want considered as deacons. A good number of you did participate. We have considered the men suggested. We have considered to some extent the frequency with which the names appeared, indicating support and confidence in the men. All of the names presented today were suggested by a good number of you. They are not perfect, none of us are, but the Lord has used a number of imperfect people and if you agree, will use these. That does not mean that any person who is not presented today is any less qualified or less needed for the work. We are trying to follow your recommendations. Based on your submission and our review the following names are presented for your consideration in alphabetical order:

1. Beau Bennett
2. Winston Bruce
3. David Glenn
4. Joseph Jenkins
5. David Keown
6. Daniel Lance
7. Ron Lenderman
8. Chris Quattlebaum

If you have a personal question or objection, we ask you to visit with your brother and resolve the differences. If you have a scriptural objection, we ask you to talk to your brother, then the elders if necessary. This should be done as soon as possible and not later than August 15.

We appreciate these men's willingness to serve and your willingness to support them. Please encourage and pray for them.
