It is a passion of the Northside Church to instill a love for God in children. One of the ways that we have sought to accomplish this is to provide a youth rally for an often overlooked age group. The 4th-6th grades have mostly outgrown the traditional VBS, but are not quite old enough to participate in the teen youth programs. This, along with knowing that these ages are very critical in developing personal beliefs about God (and themselves), is the reason why we continue to host "Christweens," a youth rally for 4th through 6th grade students filled with interesting speakers and fun activities. Note: we invite our 3rd grade students to participate.

"Rock Star" is the theme for this year's Christweens. We want to help our kids know that they are important to our Christian community and that they don't have to wait until they are grown up to be helpers. Any child can be a Rock Star for Jesus by following the example of Jesus. Those attending will attend 6 blitz classes, which will last about 10 minutes each. Each lesson looks at Jesus as an example of what it means to be a star. He is our Rock Star who shows us how to be humble servants.

Registration

Registration is now open through our website, www.thenorthside-churchofchrist.org. For Northside members, all 3rd-4th grade students are free. Please select "scholarship" while filling out the registration form.

And so it was, when Jesus had ended these sayings, that the people were astonished at His teaching, for He taught them as one having authority, and not as the scribes. Matthew 7:28-29
