2022 Honduras
Missions Report

Message from Rusty:

I really want to thank you all and the church at Northside for your continued support for the work we are doing for the Lord in Honduras. Edgar, Margarito and I are so grateful for your loving consideration and prayers. We love the work and look forward to spending the rest of our lives in the Lord's service. May God be praised and may the church at Northside be richly blessed for making this work possible.

I pray continually for the work and for all the churches including the Northside church. Working together, souls are being won for Jesus and saved by His blood. We are currently preaching in all the churches on the fundamentals in doctrine that every member of the Lord's Body should know and be able to defend in the faith.

We look forward to the visit from the men who plan to go to Honduras in July. We sure do miss having the yearly campaigns and hope and pray that we can get back to those yearly blessings to uplift the brethren in Honduras and keep the fire burning for the mission for Christ in Honduras. May God continue to bless our efforts to His Glory.
