Listening

My dear brothers, take note of this: Everyone should be quick to listen, slow to speak and slow to become angry, for man's anger does not bring about the righteous life that God desires. (James 1:19-20)

We live in an age of deafness. No, not the malfunction of our ears, but rather the unwillingness to listen to others. Listening is a fading virtue.

With feelings on our shirtsleeves, we take to social media to defend ourselves. Unwilling to listen to the opinions and thoughts of others, our fingers fly across the keyboard to one-up the previous poster who disagrees with us.

I am always pleased when I find someone who is willing to listen--especially when it is an "unexpected" person. Recently I read this about Geronimo:

Geronimo (1829-1909, real name Goyaaalé) was a prominent member of the Apache group of Native Americans. He fought long and hard against the white man, but was eventually captured and in captivity he converted to Christianity. He wrote just before his death in 1909 : *"Since my life as a prisoner has begun, I have heard the teachings of the white man's religion, and in many respects believe it to be better than the religion of my fathers ... Believing that in a wise way it is good to go to church, and that associating with Christians would improve my character, I have adopted the Christian religion. I believe that the church has helped me much during the short time I have been a member. I am not ashamed to be a Christian, and I am glad to know that the President of the United States is a Christian, for without the help of the Almighty I do not think he could rightly judge in ruling so many people."*

Elder Announcement

ALTHOUGH VACCINATION, MASK WEARING, AND DISTANCING FROM OTHERS HAS BENEFIT IN DECREASING THE RISK OF ILLNESS, NOT EVERYONE IS ABLE OR WILL CHOOSE TO ADOPT THESE MEASURES. WE URGE YOU TO CONSULT YOUR MEDICAL PROVIDER TO SEE IF THESE MEASURES AND/OR RETURNING TO ONLINE WORSHIP WOULD BE BEST IN YOUR FAMILY'S SPECIFIC SITUATION. AGAIN, PLEASE BE ACTIVE IN PRAYER THAT OUR CHURCH FAMILY REMAINS HEALTHY AND UNIFIED IN PURPOSE DURING THIS TIME. THANK YOU , THE NORTHSIDE ELDERS

Sympathy

We would like to extend our sympathy to Linda Campbell over the loss of her husband Ed. The funeral and visitation were Tuesday in Atkins. Keep Linda in your prayers.

Listening

...Continued from the front

I am impressed by people who are willing to listen to an opposing point of view -- Geronimo seems to have been such a man. Listening freely and openly allows me to learn something about the speaker. Listening freely and openly allows me to learn something I may have never considered before. Listening freely and openly allows me to learn something about myself: my own humility, my own self-control.

Jesus often cried out to the crowds, "He who has ears to hear, let him hear." True for them. True for us.

We live in an age of deafness. May we, as lights in the world, foster the humility and self-control that molds us into good listeners.
